Year 4 Weather Workshop

On Thursday this week, Year 4 took part in a weather workshop as part of their Misty Mountains and Winding Rivers topic.

They were joined by Sam Mellet from Wrenn school who helped the children design and make a weather station.

She also spoke to the children and gave them facts about the sun, the wind and the rain.

Children will be bringing home their weather stations this afternoon along with a sheet for them to track the weekends weather. There will be a reward for any completed worksheets returned to school.

If you would like to share any photos you take over the weekend please email them in or tag us on social media.

Swimming

Year 6 have completed 3 swimming sessions and will continue to swim each Thursday up until half term. Following half term year 4 will take the swimming baton and attend swimming sessions on the below dates:

Thursday 28th March.

Headlice

There have been a few confirmed cases of headlice in the school this week.

Please can you check your child's hair and treat if needed.

Should we need to contact you while your child is at school regarding headlice we will ask you to collect your child and treat at home. Your child is able to return to school as soon as hair has been treated.

Boccia Tournament

On Wednesday this week Miss Harbison and Mrs Maple took 3 children to Rushden Academy to take part in another cluster Boccia tournament.

They played 12 matches making it all the way through to the semi-finals.

They were pipped to the post for a place in the final by just 1 point!

Well done Jaiden, Miley and Sienna
