Focus	Leading	Questions to consider/discuss
Parent Survey Questions	GO	<p>Parent Surveys</p> <p>Previous parent surveys (behaviour and general safeguarding) shared with parents.</p> <p>No amendments to language used but discussed potential of adding options to answers so that parents can respond with more accurate information in regards to sanctions and rewards.</p> <p>Access to completing surveys discussed to enable as many parents as possible to complete and share their feedback. As well as the link being shared via email and ICT being available, ideas for use of paper copies for parents on parent's evening and/or access to ipads/chrome books outside of classrooms rather than having to find/use the ICT suite.</p>
RSE	ISS	<p>RSE coverage and content</p> <p>ISS shared the RSE Jigsaw document in line with their PSHE scheme of work.</p> <p>RSE now compulsory to KS1 and KS2 curriculums.</p> <p>The RSE unit of work is called 'Changing Me' within the Jigsaw scheme.</p> <p>Previous letters to parents re RSE coverage shared and discussed. The following points were discussed:</p> <ul style="list-style-type: none"> <li>• Possible inclusion of relevant vocabulary</li> <li>• Year group overview to be shared along with letter to provide further information on what will be taught to each year group.</li> <li>• Jigsaw 'tips and hints' to be added to letters to support parents.</li> <li>• Look into possible guidance and advice online that parents could use to support learning in school.</li> </ul>
